MARWA NAIKKHWAH

Computer Science Student & Frontend Developer

Kabul, Afghanistan | marwanaikkhwah@gmail.com

github.com/marwanaikkhwah1 | linkedin.com/in/marwa-naikkhwah-baa355338

PROFESSIONAL PROFILE

Computer Science student and aspiring frontend developer with hands-on experience building responsive web interfaces and collaborating on a healthcare team project. Comfortable working with HTML, CSS, JavaScript, React, and Git. Interested in practical web solutions, remote opportunities, and continuous learning.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript, React, Bootstrap, responsive layout

Tools and deployment: Git, GitHub, Vite, VS Code, Netlify

Additional academic study: Python, Java, SQL

SELECTED PROJECTS

Blog Management Dashboard
Built and refined responsive frontend pages for a blog content-management dashboard; live project: marwa-blog-dashboard.netlify.app.

MyPatientHUB (Team Project)
Contributed dashboard and Find Doctor interfaces, responsive layouts, React component conversion, and Git-based collaboration.

Travel Recommendation Website
Developed a travel-themed site using HTML, CSS, and JavaScript.

Additional practice projects
Created an interactive calculator and responsive image gallery to practice JavaScript and frontend layout.

PROFESSIONAL EXPERIENCE

Web Development Intern | Hewad Future Consulting (HBC) | October 2026
Participated in web development tasks and responsive frontend work through a UNICEF-supported initiative. The internship was with Hewad Future Consulting, not direct employment with UNICEF.

EDUCATION

University of the People - B.S. Computer Science (In progress; started 2024)
